

## STM Stewardship News

*A Message from Father Pat...*

Our annual **Stewardship of Prayer** renewal takes place during all Masses next weekend, **December 3/4**. Parishioners (Confirmation age and older) will be given an opportunity to complete a prayer commitment card during Mass. The cards are printed in a two-part, perforated format and offer suggested ways to enrich your prayer life for the coming year.

- ✚ Complete both sides of the card; keep one side as a personal reminder of your renewed prayer commitment.
- ✚ Please return the other side during the prayer card collection at Mass. Your prayer commitment is personal; however, we ask that you return one half of the card to help us continue to assess and appreciate the power of prayer at St. Thomas More. It is not necessary to write your name on the card.

I hope you will take advantage of this excellent opportunity to enhance your faith life and deepen your relationship with God. A Saint Thomas More prayer pamphlet for 2011-2012 will be available after Masses next weekend; please take one and keep it as a useful resource for daily prayer. Copies of our **Stewardship of Prayer** pamphlets from prior years are also available in our Gathering Space.

Yours in Christ,
